MISSION STATEMENT

Transport Women Australia Limited is a self-governing organisation presenting diverse views and recommendations on transport.

ABOUT US

Transport Women Australia Limited (TWAL) is a not-for-profit organisation of proactive people who particularly want to support the role of women working in all modes of the transport industry. TWAL is member based,

The Board of TWAL is committed to supporting projects on our members' and supporters' behalf within transport and other relevant industries.

Transport Women Australia Limited works with other organisations and regulatory bodies to complete initiatives and achieve mutual goals where we share a common purpose and aims.

WHAT WE DO

- support the contribution of women to the transport industry and to present their views
- promote effective networking and mentoring for women within the transport industry
- provide recognition and a forum for women working in or who have an interest in the transport industry
- promote professional, sustainable and safe practices as essential elements within the transport industry
- promote clear career paths, diversity and encourage young people to enter and work in the transport industry
